

## PLAIN X BLOCK – RAGGY QUILT

---

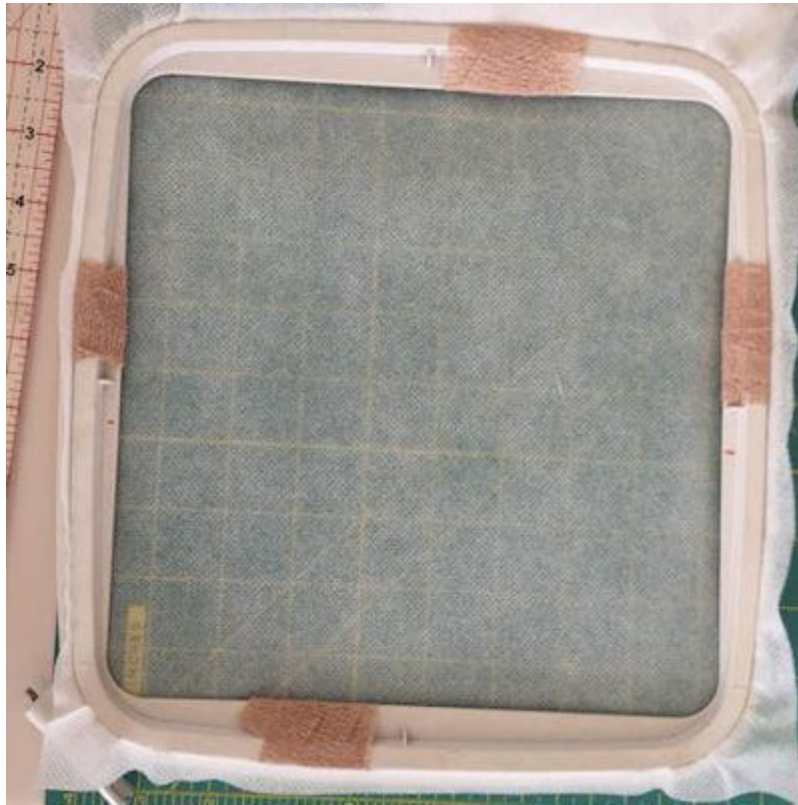

Thanks for viewing Darina's Raggy Quilt Blog and downloading our Free Plain X Block

As you can see from the photos above, Darina has made many Raggy Quilts with the 'plain x' block

The instructions are very simple

## EMBROIDERY

Load design to your machine

Thread your machine with a neutral thread

Stitch Color 1 – Outline of Block

Remove hoop from Machine

Using the outline as a guideline

Tape Backing Fabric to the back of your hoop as pictured

Return hoop to machine and stitch Color 2 to attach fabric and stitch Block

That's it!

Remove from hoop and square off Block

Note – this free design has plain stitching rather than the decorative chain stitch shown. The Chain stitch version is available in the [Quilted Sweet Dreams Design Pack](#), together with all the designs used in Darina and Kim's Sweet Dreams Quilt
